

About mYtraca

mYtraca is a simple but powerful fundraising project designed for the education sector

The product is a very smart plastic tag containing a unique number. This number is recorded by the purchaser on the mYtraca website along with their contact details including email address and cell phone number. The mYtraca tag is then attached to the owners valuables that could include

- Key rings
- Luggage
- Sports equipment
- Camera strap
- Laptop etc

The person finding the lost item reads the simple instructions and enters their own contact details and very cleverly the mYtraca programme both emails the items owner and sends a TXT message to their cell phone to arrange collection of the lost item. mYtraca sends the finder a reward for their honesty

Its simple..... It works globally..... its very low cost.... It has 100% profit margin

The school fundraising opportunity

Schools order mYtraca packages. The advantages are

- Low cost sale **RRP \$5**
- A **BIG 100%** margin. You buy at \$2.50 sell at \$5 (incl gst)
- An **ongoing income**..... Each subscription is for 12 months. Customers can renew online and your school receives a passive income of \$1 on every renewal for up to 5 years!
- mYtraca cards are provided on **60 day's credit on a sale or return basis.** (minimum sales commitment only 100 tags)
- We provide online templates you can brand with your school logo etc and have printed as posters and flyers explaining what you are fundraising for.
- Useful product customers appreciate and at only \$5 an easy sell
